

## St. Edward's Catholic Primary School

**'To help one person grow is to help build the World'**

St. Edward's Catholic Primary School is a Diocesan school for children aged 3 to 11 years old. Our school promotes the teachings of Christ, empowering all – children, parents, teachers and support staff – to build a strong Christian community which is inclusive and values everyone. We are conveniently based in Marylebone, London, and are proud to be working in partnership with the outstanding St. George's Catholic Secondary School.

We work towards making our school a community that embraces our Catholic values. We welcome all families, including those of other faiths, who value our caring ethos. In line with the requirements of the National Curriculum, in our mission to educate we focus on the development of the whole person – spiritual, intellectual, emotional, physical and social.

We aim for the highest standards in teaching and learning; providing an enriching, inclusive and outstanding education. All pupils are supported to make progress, so that they grow in confidence and self-esteem. We provide a broad range of opportunities for all of our children and therefore will not be limited by gender, social background, creed, race or culture.

**Reception and Full-Time Nursery Spaces Available for September 2021. Ask us about spaces in our Year 1 – 6 classrooms too.**

**We welcome visits in person or virtually.**

*"Children in the early years are safe and happy. Plans for what children learn are sequenced well. Children are enthusiastic about work." (Ofsted 2019)*
